## *Mission Statement*

***Westwood Schools is an independent Christian based community school providing a college preparatory curriculum for grades K3 – 12. Our purpose is to offer a quality education in a safe environment for the whole child based on the philosophy that every child can learn. A Westwood education is a unique opportunity for social, spiritual, physical, and academic development through the cooperative efforts of students, faculty and families.***

---

## Admissions Requirements

For a student to be enrolled at Westwood School:

1. The applicant must be in good standing, both academically and behaviorally, at the school he/she last attended according to recent transcripts and discipline records.
2. The applicant must make a satisfactory score on a prescribed entrance exam.
3. The applicant and parents must be willing to adhere to all school policies as stated within this handbook.
4. K3, K4 and K5 students who are not three, four or five years old respectively before September 1st may not be admitted to Westwood.
5. Immunization Policy-Act No. 540 states that all students entering grades PK-12 have a Georgia Department of Human Resources Certificate of Immunization on file at the school. Your physician or Health Department will have this certificate.
6. Local transfer students are not accepted into the Senior Class. Non-local transfer students will be considered on an individual basis.

---

## Admissions Policy/Procedures

Every new student seeking admission to Westwood School must follow this process:

1. A student must supply all necessary records (official transcripts, achievement test scores, immunization records, discipline records) along with a completed admissions application.
2. Arrangements must be made for the applicant to take the required entrance exam.
3. Upon completion of the entrance exam, a student interview with the admissions committee is required. Once all records are received, the admissions committee consisting of the Headmaster, Curriculum Director, Guidance Counselor and Learning Lab Coordinator will review all of the above information and a decision will be made whether or not to accept the applicant as a student at Westwood.
4. Once a student's application is accepted, he or she will be admitted for a probationary period of one or two semesters or for the remainder of the school year.
5. If the student has a history of discipline problems or is academically weak, he or she may be denied admission due to the severity of the behavior or weakness. He or she will be accepted only if certain stipulations are accepted by the parents and student. These stipulations may include mandatory lab work, out-of-school tutoring, summer school or summer lab participation, counseling, or other requirements set forth by the Admissions Committee.
6. If at the end of the probationary period, the student has not met the required stipulations, made academic progress, or met behavioral standards, the student's acceptance to Westwood will be terminated.

Westwood admits students of any race, color, national and ethnic origin to all rights, privileges, programs, and activities made to students at the school. It does not discriminate in the administration of its educational policies, admission policies, or athletic and other school administered programs.

Westwood reserves the right to prohibit admission to any person who has given birth to a child or fathered a child.

## Drug Testing Policy

All students in grades 7-12 will be subject to random drug tests throughout the school year. The unlawful manufacture, distribution, dispensation, possession or use of alcohol, drugs or other controlled substances is prohibited on Westwood's property or during any school sponsored activities, and violation of these prohibitions will subject students to rehabilitation referral and/or discipline up to and including expulsion. As a condition of continued enrollment, students are required to abide by Westwood's Substance Abuse Policy, including the provision for random testing of all students. It is agreed and understood that if a student

---

fails the drug and/or alcohol test by testing positive, he/she will be referred to a rehabilitation or substance abuse assistance program at the parent's/guardian's expense, and/or disciplined in accordance with Westwood's policy up to and including expulsion. Any refusal to be referred to rehabilitation will result in immediate expulsion. If the student fails a second or follow-up drug and/or alcohol test he/she will be subject to immediate expulsion without the possibility of reinstatement. If a student is convicted of a violation of a criminal drug statute, the parent/guardian is required to notify Westwood within five (5) days of conviction. Westwood has the right to conduct unannounced searches for illegal drugs and alcohol on Westwood property, in all facilities and vehicles on school property. Westwood has the right to inspect lockers, desks, work areas, vehicles, and other containers and objects on Westwood's property that might conceal illegal drugs and alcohol. Westwood has the right to reasonable searches of a student's person and his/her personal property. Failure to cooperate fully with Westwood in this regard will result in disciplinary action up to and including possible expulsion.

## **Non-Accredited Public and Private Schools and Home Study Programs**

### **High School**

Students transferring from a non-accredited school (including home study) must provide a transcript showing:

1. Time spent in class and length of school term
2. Grades received in each course
3. Textbooks used and/or course outline

To validate the course work taken at the non-accredited school, the student will be placed in a program that continues the sequence of work in which the student is participating, if available. If the student is successful in the subsequent courses, credit will be given for those courses and all previous work passed in that subject area. (Passing is considered earning a grade of 70 or above.)

### **OR**

He/she may be given the opportunity to take a comprehensive exam when entering Westwood to validate the course work for each unit of credit in the subject area.

If a student does not pass the course the first semester he/she is enrolled at Westwood, then credit will be denied for that course and the course work taken in that subject area. The student will then be placed in a class on the previous grade level, and the validation process will be repeated. No student will be placed below the ninth grade if he/she has earned any credit on the high school level.

---

Westwood shall comply with the Georgia Accrediting Commission requirements that at least half of the credits required for graduation must be earned in an accredited high school.

## **Middle and Elementary Schools**

A student entering from a non-accredited school must provide records showing the following:

1. Time spent in class and length of school term
2. Grades received on each grade level
3. Textbooks used and/or course outline

The student will tentatively be placed on the grade level indicated by the records, provided it does not exceed the actual age/grade level of the student. During the first six weeks of enrollment, the school's officials will monitor the progress of the student. If the student is not performing satisfactorily, he/she will be placed in a lower grade. A standardized test may be used to help determine placement.

## **Student Support for Academic Difficulties**

Westwood is a college preparatory school for average to above average students. The academic mission of Westwood is to provide educational experiences that challenge and affirm the talents of young people while also assisting them in finding expression as they mature. While the academic program is intended for students without significant learning difficulties, there are occasions when teachers or parents discover learning problems with students already in the student body. Once these difficulties are expected, Westwood will implement an Action Plan. If a student is suspected of having significant learning difficulties and the parents/guardians are not aware of the nature of them, they will be notified immediately. At that point, the parents/guardians may choose to pursue diagnostic testing. Once testing is complete, the school strongly encourages the parents to share the results of the testing with the school so that its Support Team may successfully implement the best program for the child.

Westwood's Support Team is individualized for each student to reasonably accommodate learning differences. Westwood's Support Team is composed of the Guidance Counselor, Learning Lab Coordinator, teachers from the four major academic areas, and other classroom teachers if appropriate. The Support Team may recommend the use of independent tutors and will provide them with curricular materials. The school will monitor the student's progress and will remain in contact with the parents.

# Student Athlete Contract

## Purpose

1 Corinthians 9:25 –To win the contest you must deny yourselves many things that would keep you from doing your best. An athlete goes to all this trouble just to win a blue ribbon or a silver cup, but we do it for a heavenly reward that never disappears.

Participation in athletics is a privilege, not a right. According to the Bible verse above, the athlete must earn this privilege through dedication, desire, and discipline. Without the pursuit of these, the athlete can in no way do justice to himself/herself or the school. The athlete must discipline himself/herself to be a good Christian, citizen and student in order to achieve athletic excellence.

**\*\* All players, students, coaches and staff will stand for the National Anthem and prayer\*\***

## Attendance

Team members will attend all practices, meetings and games. If an unusual circumstance arises whereby a practice, meeting or game must be missed, the coach must be notified prior by personal contact, phone call or written statement from the parent/guardian. Any athlete who cuts practice or a meeting, fails to appear for a game, or fails to attend school the day after a game may not be allowed to suit up for any game or games for a period of time to be determined by the Coach, Athletic Director and Headmaster. Excessive absences from practice, meetings or games may be cause for removal from athletics. An athlete must be counted present for four class periods on a game day to be eligible to play. If the event is on a Saturday, the attendance policy must be met on the last school day prior to the event.

## Eligibility

To be eligible to participate in athletics, the athlete must be in compliance with GISA rules and regulations. GISA eligibility requires athletes to pass a minimum of five academic classes each semester.

In addition to the GISA requirements, Westwood Schools requires that athletes must have passing grades in all academic subjects at each quarter in order to participate in athletics:

- All JV/HS students must have passing grades in all academic subjects at each grading period in order to participate in interscholastic competition, including practices. This includes athletics, cheerleading and literary.

---

a) If a student has failing grades in one or more academic subjects on the first or third quarter report card, the student is not eligible to participate until passing all academic subjects. The student is required to attend 10 days of after school tutoring with the teacher of the failing class. When the student has completed the required 10 days of tutoring, the student's grades will be evaluated to determine eligibility to resume participation.

b) If a student has failing grades in one or more academic subjects at the end of the second quarter, the student is not eligible to participate until 10 days of after school tutoring with the teacher of the failing class has been completed.

- Tuition must be paid up to date before a family's child can participate in any extracurricular activity.

- A student cannot participate in summer activities such as practices, camps, etc. if there is still a remaining balance left on the previous year's tuition.

## **Equipment/Uniforms**

All athletes are responsible for all equipment and uniforms issued. Athletes will have to pay to replace any equipment or uniforms that are not returned.

## **Physical Exams**

Athletes are required to have a current signed physician's exam and a signed GISA Concussion Form on file to participate in athletics.

## **Job**

Athletes cannot be obligated to a job that in anyway interferes with practices or games.

## **Sports Changes**

It is recommended that all athletes participate in as many sports as they are capable. Once an athlete begins the in-season training period of a sport, the student should not quit while that sport is in season. Athletes who quit cannot begin a new sport until the current athletic season is complete. Any athlete that is expelled from a sport will be required to have a meeting with the Athletic Director and Headmaster before participating in another sport.

## **Chain of Command**

Athletes and parents who have concerns should follow the proper chain of command:

1. Athlete and Coach
2. Parent, Athlete and Coach

- 
3. Parent, Athlete, Coach and AD
  4. Parent, Athlete, Coach, AD and Headmaster

Athletes and/or parents who speak with the AD and/or headmaster will be asked if they have followed the chain of command.

## Violations

Examples of violations that could result in athletic privileges being revoked include, but are not limited to:

1. Any form of bullying including, but not limited to, physical bullying, verbal bullying or cyber bullying
2. Insubordination or being disrespectful to authority
3. Cutting class
4. Leaving campus without permission
5. Cheating/Plagiarism
6. Improper conduct at school related events
7. Improper conduct online or through social media
8. Poor academic performance
9. Willful and continued disobedience
10. Obscene/Profane language or gestures
11. Possession or use of drugs, alcohol or tobacco, including e-cigarettes
12. Criminal conduct
13. Excessive tardys or unexcused absences
14. Suspension
15. Any other conduct the administration deems necessary to warrant disciplinary action and removal from athletics.

As a student athlete at Westwood Schools, I understand that participation in the athletic programs is a privilege. In order to enjoy that privilege I must adhere to the guidelines set forth by the Athletic Department and administration of Westwood Schools. Student athletes will be held to a higher standard regarding their attitude, behavior and conduct while in school and at athletic events. Failure to comply with these rules and regulations may result in my athletic participation privileges being revoked. The final consequences for breaching this contract will be determined by the Headmaster, Coach, and Athletic Director.

## Move On When Ready Participation Agreement

Westwood School's MOWR Participation Agreement

- Westwood will offer 11th and 12th graders several opportunities to participate in MOWR for the 2016-2017 school year.
  1. Students interested in taking a MOWR online class can do so during a specified period based on the school schedule. If for any reason the student drops out of the MOWR class, the student and parent must understand that the alternate class is already built into the schedule

---

and will be the only other option for him/her. The student will know before the registration date what Westwood will be offering at that same time.

2. Westwood will also offer an additional opportunity for students to leave school at the beginning of 7th period (2:14 p.m.) to take a class at a college that we have a MOWR relationship with. If the student decides to do this, there will be a procedure in place to check out. This policy must be signed by the parents, student and headmaster. The student and parent will understand that Westwood is not responsible for the student on those given days after checking out and he/she will not be allowed on campus until after 3:04 p.m. Credit will be given and classes will be included on the student's transcript.

\*Note: Only students leaving to attend MOWR courses will be able to leave.

3. These Juniors and Seniors can also take courses independently during the school year or during the summer. Credit will be given and classes will be included on the student's transcript.

- Westwood's 9th and 10th grade students can participate in the program if accepted, but must do so during the summer or take them independently during the school year. Credit will be given and classes will be included on the student's transcript.

- 5 points will be added to the quarter average of the college grade for the Westwood grade

- If the class is taken during the normal school day and takes the place of a Westwood class period it will be figured into the GPA accordingly.

- Students must provide their own device.

- Students will be expected to work independently in a classroom assigned to them during this time. Students may or may not be monitored by a staff person due to limited staff availability. They will be expected to follow school rules the same as the other classes.

- Westwood staff cannot check students' grades and assignments. These classes are solely the responsibility of the students and their parents.

- To graduate with a Westwood Diploma, all students must take an English, Math, and Science course each year in grades 9th-12th with Westwood teachers on our campus. Any MOWR courses taken in these subject areas will be applied to the student's transcript and the student will be given college credit by the college of their choice if accepted. However, these MOWR classes will not be a substitution for our classes at Westwood.

- When deciding on a class to take, whether online or at another campus, parents are responsible for checking to see if the desired course is offered and if it is approved for the college on the GaCollege 411 website. Westwood is not responsible for making sure the course chosen will be accepted at the college of your choice.

- Westwood will have one informational session per semester to answer questions about MOWR and go over what Westwood will be able to offer for the following semester.

Following this session, Westwood will hold a MANDATORY meeting for all parents where ALL paperwork and registration forms and agreements will be completed and turned in for our staff to compile and mail in by the registration deadline. Parents will need to complete the College Registration Forms, Westwood Participation Form, and the Georgia Department of Education

---

MOWR Student Participation Agreement. Completing the necessary steps on time for registration is the responsibility of the student/parent.

- Situations not covered in the above agreement will be decided on a case-by-case basis.

## **Elementary Mandatory Retention Policy**

We have in place a retention policy for each grade level. There are certain requirements that your child must master before beginning the next grade level. Please be aware of the requirements of your child's grade. At conferences during the year, the teacher will let you know how your child is progressing. We want to make sure that your child is receiving the best education that we can give them at a rate in which they can receive it.

## **Middle School Retention Policy**

To be considered for promotion to the next grade level (6-8), a student must pass at least three of his/her academic courses. Two of these must be Math and English. Learning Lab and P.E. are excluded from this requirement.

## **Summer Remediation Program**

Students in grades 6-8 who score below a Stanine of 5 in the areas of Total Math or Total Reading on the Stanford 10 Achievement Test will be strongly urged to attend the summer remediation program through Westwood's Learning Lab. This will allow the students to work on these weaknesses necessary for the student to be successful at the next grade level.

## **Summer School Grades**

If a student fails a class during the regular school year at Westwood, they may attend summer school at an outside facility to make up the failed credit. Upon successful completion of the summer school work, a transcript must be supplied to Westwood by the summer school and a grade of 70 will be entered on the student's permanent transcript.

\*\*\*Note: This will allow the student to pass the class without inflating their grade from a facility which doesn't have the rigorous curriculum we have at our school.

An action of this type is classified as bullying if it has the potential to create an intimidating or hostile educational environment, cause long-term damage, discomfort or humiliation, or reasonably interfere with the individual’s school performance or participation.

Bullying is prohibited at the following locations:

6. On the campus of Westwood Schools;
7. At any location during a Westwood related or sponsored program or activity;
8. On any Westwood bus;
9. Through any electronic device while on any of the locations specified in numbers 1-3.

Consequences of bullying include disciplinary actions at the discretion the school administration.

Students and parents are encouraged to report, either verbally or in writing, suspected incidents of bullying to Fran Sheffield or to a school administrator. Teachers are mandated to report all suspected incidents in same manner. A complaint may be made using the Bullying Complaint Reporting Form located in the main offices or in Fran Sheffield’s office.

## **Bring Your Own Technology Policy**

Westwood Schools has adopted a Bring Your Own Technology (BYOT) policy for students in 2nd grade through 12th grades. This policy will allow students to bring many of their own technology devices to school for use in our classrooms. Students are encouraged to have one handheld device that can wirelessly access the internet for educational purposes only. Similar to other personally owned items, Westwood Schools is not liable for the loss, damage, misuse, or theft of personally owned devices brought to school.

This notification is to inform you and guide you through this opportunity.

Please note that students are never required to bring in outside technology to school. All students will continue to be able to utilize our school equipment. No student will be left out of the instructional process. Westwood Schools will not be responsible for any financial obligations resulting from standard messaging or data charges incurred by students who choose to bring their own device.

## **Expectations:**

- Students will only use appropriate technology at their teachers' discretion.

- 
- Students will only use appropriate educational applications on their device (i.e. not games and/or non-school related tasks and functions).
  - Students are not to call, text message, email, or electronically communicate with others from their personal device, including other students, parents, guardians, friends, and family during the school day unless directed by their teacher.
  - Students are permitted to access only the school's network through personal devices, not private networks. Each student is required to register his/her device so that it may access the school's wireless network.

### **Reinforcement:**

- Students utilizing this opportunity to its fullest capacity within school expectations will find numerous benefits to instruction, resources, completion of assignments and personal organization.
- Students not following expectations for use of personal devices will face school disciplinary measures and lose the privilege to utilize personal devices in school for an appropriate period of time to be determined by the school principal.  
We look forward to the educational opportunities that BYOT will bring to our students and staff and understand that there will be some challenges with full implementation of the policy along the way. Your suggestions and feedback are always welcome. Thank you for your understanding and reinforcement of the initial procedures and expectations for this initiative.

## Honor Code - Cheating

Westwood operates under an honor system. This simply means that whatever work a student says is his should be his and no one else's. The Honor Code expresses the ideal of an agreement which implies faith and trust in each other. It also expresses an attitude against violation of that faith and trust. A student who copies another student's test or homework has cheated himself of a learning experience. Cheating is determined by each individual teacher. Each teacher is required to review their written policy on cheating with students at the beginning of the school year. First offense will result in suspension from NHS, in addition to the following consequences:

### 1st Offense

The student will receive a zero on the work or if the teacher chooses, a second opportunity to do the work. If the teacher allows the second option, the zero and the grade earned on the work will be averaged together to arrive at the grade earned.

### 2nd Offense

Student will receive a zero with no possibility of making up the work.

### 3rd Offense

Suspension from school for 1 day with 2 points deducted from the current grading period.

### 4th Offense

A review from the school discipline committee will determine if the student will remain at school. It is up to the committee to determine punishment for the fourth cheating offense or any subsequent cheating offenses.

## School Attendance

Homeroom teachers will keep attendance. This will be submitted through PowerSchool each morning after homeroom. Students must check in at the office when they arrive to school late. The secretary will make changes to the attendance record and place the excuse on file in the office.

Phone calls to parents of all students reported absent after homeroom will be made each day. This will keep the parent aware of the number of absences. A record will be kept on each student in the office by the secretary. This record will document all absences and a reason for each.

---

Students who miss school or individual classes more than 7 times per semester will be required to have a doctor's excuse for each additional absence. We will communicate with the parent once the student has 5 absences.

### **Absences for PK – 6<sup>th</sup> Grades**

It is important to start at a young age forming good habits. Regular attendance is very important. Much of what goes on in our classroom cannot be repeated at home. The hands-on experiences in school are vital. We ask that your child miss no more than 15 days per year, and that a doctor's excuse be brought to school explaining the absence. Missed work must be made up within 3 days. Your child will be counted absent if he/she leaves before 12:00. If your child is absent, parents must notify the office by 11:00 am if make up work is needed for the day. It can be picked up at 2:30 in the teacher's workroom.

### **Absences for 7<sup>th</sup> – 12<sup>th</sup> Grades**

If a student misses more than 14 days during the school year, he/she may fail the course for the year.

A student must be present for 4 class periods to be considered present for the day.

### **Tardies for PK – 6<sup>th</sup> Grades**

Being on time is very important. School begins at 8:00 am sharp. Any student arriving at school after 8:00 is considered tardy. If you bring your child to school after 8:00, please bring the student to the elementary office. Parents are not to take their child to the classroom once the school day has begun. Excessive tardies will result in a conference, and further disciplinary action will be decided upon. In our attendance policy 5 tardies equals one absence.

### **Tardies for 7<sup>th</sup> – 12<sup>th</sup> Grades**

Homeroom meets at the beginning of the school day at 8:00. The warning bell for grades 7-12 will ring 5 minutes prior to the beginning of homeroom. A second bell will ring signaling the start of homeroom. Any student arriving to homeroom after the second bell will be considered tardy to school.

Tardies will be handled through the discipline ladder. Tardies to individual classes will be handled by the teacher. The discipline ladder may be used at the teacher's discretion.

Students are allowed 3 unexcused tardies per semester. Students will be written up on the 4th tardy and will follow the discipline ladder as outlined.

Excused tardies include:

- Doctor's note
- As approved by Administration

## Make-up Work

Students must make up any work or test resulting from an excused absence within 3 consecutive school days. The student will be responsible for making arrangements with the respective teacher. School related absences require prior arrangements with the teacher.

---

## Discipline for PK – 6<sup>th</sup> Grades

The elementary teachers follow the assertive discipline plan. Each teacher has the rules and consequences posted in the classroom. Each year you should review the teacher's rules and consequences with your child and make sure that your child understands them. Westwood also reserves the right to use corporal punishment after other methods of discipline have proven ineffective.

### Corporal Punishment

Westwood School does reserve the right to use corporal punishment as a disciplinary measure to correct inappropriate behavior of students. Should paddling be used by a teacher, parents/guardians will be notified either by phone call or by a letter home. Parental notification shall be done in a timely manner, but teachers cannot be expected to leave their classrooms unattended to call parents/guardians immediately before or after the punishment is administered. \*\*A pop is not a spanking—A spanking consists of two or more swats.

## Discipline Procedures for 7<sup>th</sup> – 12<sup>th</sup> Grades

The Westwood Board of Trustees leaves discipline up to the Headmaster's discretion. Various methods of discipline are used at Westwood, not excluding corporal punishment. Each teacher maintains an assertive discipline plan that includes rules and consequences. The Headmaster and/or the teacher discipline committee handle all severe disruptions. Discipline records are cumulative per semester.

After a child receives 3 major discipline referrals, that student will be placed on a behavioral contract between the student and the school. The terms of this contract are at the discretion of the Headmaster.

If a student is suspended from school, he/she is not allowed on campus during school or after school for any extracurricular activity.

### Minor Discipline Offenses

No student is allowed past the right field fence line on the baseball field during lunch or break. No student is allowed in front of the building during lunch or break.

## **Major Discipline Offenses**

---

these offenses can result in the loss of senior privileges and removal from the National Honor Society.

### **Disrespectful/Defiant Behavior/Profanity**

Action taken for this offense is up to the discretion of the teacher based on the level of the offense. If the teacher deems it necessary the student will be referred to the Headmaster.

Students who intimidate, belittle, degrade, or inflict physical or mental harm to another student will be disciplined at the discretion of the Headmaster. Students guilty of this behavior will be assigned a conference with the school counselor. Repeat offenders will be placed on a behavioral contract between the student and the school. Violation of this contract could lead to suspension or dismissal from Westwood.

### **Destruction of Property**

For any destruction of school property, whether willful or accidental, the student will be responsible for paying for the damage. For willful destruction, the student must complete supervised work on the school campus. The number of hours worked will be determined by the school discipline committee and contingent upon damage done to the school. Entering the building without a key will be considered destruction of school property.

### **Skiping School/Class**

Westwood does not allow an individual or group of students to skip school. "Skip days" are not permitted. The school discipline committee will determine whether or not an individual or group is skipping school. Students may be required to make up the time they skipped after

---

school or it may result in a 2 point deduction from the final grading period average in the class/classes skipped. Cases will be reviewed by the committee on an individual basis.

### **Weapons in School**

The possession of weapons on school property is detrimental to the welfare and safety of the students and school personnel and is a violation of state law. No person shall carry, possess, or have in their control any weapon or explosive compounds within a school safety zone, (1000 ft.), in any building, on the school premises, at any school sponsored function or activity, or in any personal vehicle parked on school property.

## **Volunteers**

### **Grademothers**

Each classroom will need a parent volunteer to serve as a grademother. This is a big responsibility which includes coordinating class parties, fall festival and the Homecoming Mini Parade. Each grademother is asked to work closely with the classroom teacher. Individual teachers have individual preferences. There may be other duties that arise during the year.

### **Let's Read Program**

Let's Read is a linguistic approach to reading. The lessons are constructed to induce smooth, rapid reading progress. Let's Read begins in first grade and is completed in third grade. The students read individually from the Let's Read book with parent or grandparent volunteers each morning from 8:00 to 8:30.

### **Library Volunteers**

Each class in the elementary building has a designated library time once a week. This library time is conducted by a volunteer or a group of rotating volunteers. The classroom librarian is in charge of a short reading time and a time of checking out books for each student. Mrs. Nancy Palmer, our high school and elementary media specialist, sends out a letter of instruction at the beginning of the year for all volunteers. She is available for any additional help needed.

## Elementary Extra Curricular Activities

As you can see, your child has plenty of extracurricular activities to choose from here at Westwood. An advantage to this is you don't have to leave work and rush your child to dance, gymnastics, or tennis because they are offered right here on campus and incorporated into your child's day at school. Another advantage with the athletic activities is your child having the opportunity to play organized ball with the same team members they will be playing with when they are in middle and high school.

### Art

Art class is offered one day a week during your child's PE time under the instruction of Mrs. Lynette Harper.

### Dance

Dance class is offered under the instruction of Mrs. Leslie Hodges. Students in grades K3 through 2 can participate in the activity after school in the auditorium. Students in the upper grades may continue their dancing with Mrs. Leslie by going to the dance company in Pelham.

Your child does not have to participate every day or any day if you choose. However, it is a fun activity and prizes are given to classes for the most participation.

- Mini Parade—All classes take the theme of Homecoming Week and create their own mini-float for the parade. This is held on Friday at 1:20 on the track behind the elementary building. \*\*Parents are invited!!
- Cheerleader Activities—Cheerleaders sell pie tickets (to throw a pie in the face of cheerleaders and coaches), game faces, and homecoming ribbons.

## **Fall Festival**

Westwood has an annual Fall Festival fundraiser for PTO in October or November. Each class is assigned booths. The booths will be judged based on the theme. Parents will be asked to help decorate and work a shift at the festival. Each child will be asked to bring items for various booths. Each class will also have a King and Queen that collect donations.

## **Grandparent’s Day**

This is a school wide day of special recognition and “thank you” to all our grandparents at Westwood. The celebration takes place in February or early spring each year. Students invite their grandparents to visit their classrooms, attend a program and have refreshments.

## **Junior Class Valentine Booth**

The Junior class has a Valentine booth every February. They have so many items to choose from to make Valentine’s Day extra special and fun. Parents also have the opportunity to shop at this booth to send their children something from them from the booth since we do not have outside deliveries to the elementary building. Students enjoy shopping for themselves and their friends too! Prices range from \$.50 to \$3.00 on items. Some items include: Valentine necklaces, pencils, pens, erasers, key chains, lip gloss, bouncy balls, and homemade goodies. Be sure to send some money to school with your child on this day for shopping at the Junior Class Valentine Booth!

## **Book Fair**

Each year our school holds a book fair. It usually falls during the month of April. Some years we have a mini-book fair in the fall. The book fair is sponsored by Scholastic and is run by Mrs. Grace Adkins. Parents may send money to school with their children to buy items or they may take their children to the book fair after school. All proceeds are used to buy classroom materials and items for our Learning Lab.
