### Honors American Literature

1. Always be smarter than the computer!!! BACK UP, BACK UP, BACK UP EVERYTHING YOU TYPE!!! Don't give me the excuse that you lost your work. Outfox the computer. Remember: The best computer is the one between your ears. Jump Drive Important!!

2. Get a notebook that will stand up through the whole year (at least a 1 and ½ inch hard bound notebook). Dividers (8) are handy (Wordly Wise, DGP, Poetry, Grammar, Term Paper, Lit Notes, Writing, Other).

3. Term papers will be a long project that will start second semester. Have 4X6 note cards and a place to keep your books and Xeroxed copies together. Organization will be the key to your success with your research paper. You will also later need rubber bands and a folder that will permit you to bind your finished paper.

4. Being prepared in class will include those little extras, such as note cards, black pens, pencils, straight-edged paper, and highlighters.

You will also be reading a novel during the first semester that you choose from a list of classics that I will give to you the first day of class. This is a novel that you will have a test on at the end of the first semester and that you will write a research paper on during the second semester.
