I, \_\_\_\_\_, hereby agree to the terms and conditions set forth in this contract on rules, attitude, behavior and conduct.

As a student at Westwood Schools, I understand that attending Westwood is a privilege. In order to enjoy that privilege, I must adhere to the guidelines set forth by the administration of Westwood Schools.

Westwood students will always be held to a higher standard regarding their attitude, behavior and conduct while in school and at extracurricular events. Failure to comply with these rules and regulations may result in my extra-curricular participation privileges being revoked. The final consequences for breaching this contract will be determined by the Headmaster.

For purpose of this contract, all sports, literary, drama or extra-curricular participation shall be referred to as “activities”.

### Attendance

Student participants will attend all practices, games and events. If an unusual circumstance arises whereby a practice, game or event must be missed, the coach or advisor must be notified prior by personal contact, phone call or written statement from the parent/guardian. Any student participant who cuts practice, fails to appear for a game/competition, or fails to attend school the day after a game/competition may not be allowed to participate for any number of games/competition for a period of time to be determined by the Coach/Advisor, Athletic Director or Headmaster. Excessive absences from practice, games or events may be cause for removal from extra-curricular activity. A student must be counted present for four class periods on a game/competition day to be eligible to play/participate.

### Failed Classes and Eligibility

To be eligible to participate in extra-curricular activities, the student must be in compliance with GISA rules and regulations. GISA eligibility requires students to pass a minimum of five academic classes each semester.

In addition to the GISA requirements, Westwood Schools requires that students must have passing grades in all academic subjects at each grading period in order to participate in interscholastic competition, including practices. This includes athletics, cheerleading, one act play, and literary.

All students must have passing grades in all academic subjects at each grading period.

If a student has failing grades in one or more academic subjects on the first, second\*, or third quarter report card, the student is required to attend 10 thirty-minute sessions of tutoring with the teacher of each failing class. It is the student's responsibility to coordinate session dates and times with the teacher of each affected class.

When the student has completed the required 10 sessions of tutoring and is passing the class, the student's grades will be evaluated and if after 10 sessions of tutoring the student is not passing, they must continue with tutoring until passing the class.

Additionally, students who participate in interscholastic competition including athletics, cheerleading, one act play, and literary will not be eligible to participate in competitions or practices until the student has completed the required 10 sessions of tutoring AND is passing the class. If after 10 sessions of tutoring the student is not passing, they must continue with tutoring until passing the class before they can become eligible to participate in interscholastic competitions and practices.

Consequences for failure to complete the required sessions will be at the Headmaster's discretion.

\*One semester courses will be evaluated on a case by case basis.

All athletes are responsible for all equipment and uniforms issued. Athletes will have to pay to replace any equipment or uniforms that are not returned.

### **Physical Exams**

Athletes are required to have a current signed physician's exam and a signed GISA Concussion Form on file to participate in athletics.

### **Job**

Athletes cannot be obligated to a job that in anyway interferes with practices or games.

1. Student and Teacher or Coach
2. Parent, Student and Teacher or Coach
