College Prep 11th American Literature

1. Always be smarter than the computer!!! **BACK UP, BACK UP, BACK UP EVERYTHING YOU TYPE!!!** Don't give me the excuse that you lost your work. Outfox the computer. Remember: The best computer is the one between your ears. Flash Drive Important!!

2. Get a notebook that will stand up through the whole year (at least a 1 and ½ inch hard bound notebook). Dividers (8) are handy (Label: Wordly Wise, DGP, Poetry, Grammar, Term Paper, Lit Notes, Writing, Other).

3. Term papers will be a long project that will start second semester. Have 4X6 note cards and a place to keep your books and Xeroxed copies together. Organization will be the key to your success with your research paper. You will also later need rubber bands and a folder that will permit you to bind your finished paper. Go ahead and get things- Be prepared.

4. Being prepared in class will include those little extras, such as black pens, pencils, straight-edged paper, and highlighters.

You will also be reading a novel during the first semester that you choose from a list of classics that I will give to you the first day of class. This is a novel that you will have a test on at the end of the first semester and that you will write a research paper on during the second semester.

TERM PAPER STEPS ARE ON THE WEBSITE UNDER ACADEMICS!

We read the two plays 1st semester in class, so it is a good time for you to be reading your term paper book.
