Policy Handbook

Mission Statement

To provide a safe, supportive, affordable Christian-based learning environment that advocates for academic excellence, offers extracurricular activities, encourages technology advancement and provides community service and engagement opportunities.

Vision

Every Westwood student will be empowered to excel academically, inspired to grow spiritually and impacted to live positively by our Christ-centered, family-engaged Pre-K through 12 rigorous learning environments and activities that foster a desire for students to fulfill their God-given potential.

Admissions Requirements

For a student to be enrolled at Westwood School:

1. The applicant must be in good standing, both academically and behaviorally, at the school he/she last attended according to recent transcripts and discipline records.
2. The applicant must make a satisfactory score on a prescribed entrance exam.
3. The applicant and parents must be willing to adhere to all school policies. **Headmaster discretion will address any situations not covered specifically in this handbook.**
4. K3, K4 and K5 students who are not three, four or five years old respectively before September 1st may not be admitted to Westwood.
5. Immunization Policy-Act No. 540 states that all students entering grades PK-12 have a Georgia Department of Human Resources Certificate of Immunization on file at the school.

Your physician or Health Department will have this certificate.

-
6. Local transfer students are not accepted into the Senior Class. Non-local transfer students will be considered on an individual basis. Exception to this policy must be approved by the Headmaster.
 7. Transfer students may not be allowed to participate in an activity which has already begun their competition season. Any exceptions to this rule must be approved by the Headmaster.

Admissions Policy/Procedures

Every new student seeking admission to Westwood School must follow this process:

1. A student must supply all necessary records (official transcripts, achievement test scores, immunization records, discipline records) along with a completed admissions application.
2. Arrangements must be made for the applicant to take the required entrance exam.
3. Upon completion of the entrance exam, a student interview will be conducted, if needed. Once all records are received, the admissions committee will review all of the information and a decision will be made whether or not to accept the applicant as a student at Westwood.
4. Once a student's application is accepted, he or she may be admitted for a probationary period of one or two semesters or for the remainder of the school year.
5. If the student has a history of discipline problems or is academically weak, he or she may be denied admission due to the severity of the behavior or weakness. He or she will be accepted only if certain stipulations are accepted by the parents and student. These stipulations may include mandatory lab work, out-of-school tutoring, summer school or summer lab participation, counseling, or other requirements set forth by the Admissions Committee.
6. If at the end of the probationary period, the student has not met the required stipulations, made academic progress, or met behavioral standards, the student's acceptance to Westwood may be terminated.

Westwood admits students of any race, color, national and ethnic origin to all rights, privileges, programs, and activities made to students at the school. It does not discriminate in the administration of its educational policies, admission policies, or athletic and other school administered programs.

Westwood Schools believes that God created each person as either male or female in conformity with their biological sex. Therefore, no person shall enter a restroom or locker room that is designated for the use of the opposite sex.

Westwood reserves the right to prohibit admission to any person who has given birth to a child or fathered a child.

Parent Service Opportunities and Requirements

A key aspect to a child's success is parent involvement. Therefore, parent participation is a desired and essential component of Westwood School. Our school family benefits from and depends on support from all members of our school community.

As such, each Westwood family is asked to willingly contribute and/or volunteer at Westwood School throughout the year. Parents may choose to share their talents in various ways. Elective service opportunities include, but, are not limited to, fundraising projects, grade mother, garden mother, grounds maintenance, party mom/dad, Let's Read, library reader, junior pro coaching, chaperoning activities, events, or trips, homecoming activities, homecoming parade, parent teacher organization (P.T.O.), teacher appreciation, or donations.

Though, in order to maintain and improve the quality of our school and facilities, **all families are required to support and participate in particular Westwood Booster Club and/or P.T.O. school-related service events**, as described in the school handbook and/or contract for enrollment.* **Westwood Booster Club or P.T.O. school-related service events** are categorized differently than elective service opportunities as described above. Westwood required service events include, but, is not limited to, varsity football concessions, varsity basketball concessions, particular junior varsity basketball concessions, varsity and junior varsity track meet concessions, grandparents' auction and/or dinner, banquet(s), Westwood hosted G.I.S.A. events, and/or school maintenance workdays. Providing **support for and booth work at the annual Westwood Fall Festival is an additional required service event**. NOTE: Serving as a grade mother, P.T.O. president, P.T.O. officer, or P.T.O. committee member fulfills the mandatory service hours requirement.

Additionally, certain middle and high school grades are assigned specific athletic event concessions for individual class fundraising, which is primarily for Jr./Sr. prom expenses. Westwood Booster Club or P.T.O. school-related service events, elective service opportunities, as described above, and class fundraising are separate school service opportunities. Individual class fundraising is desired and expected. The class concession fundraising assignments are as follows:

- Seventh Grade: junior pro & junior varsity football concessions;
- Eighth Grade: junior pro, junior varsity & B-Team basketball concessions (unless they are immediately followed by varsity basketball games) AND junior varsity & varsity track concessions;
- Ninth Grade: junior pro, junior varsity & varsity baseball concessions; and
- Tenth Grade: junior pro, junior varsity & varsity softball concessions.

Service elections must be made by the student's parent/guardian prior to the start of the school year by contacting the school office. Parents may sign-up for specific dates or events on a first come, first served basis or school administration will assign each family work events and dates.

Additional or “make-up” service opportunities *may be made available* throughout the school year, but such is not a guarantee.

***A family that fails to appear for their assigned, mandatory service requirement, without prior waiver, excusal, or arrangement, will be charged a \$225.00 failure to appear fine, per event.** This fine is billed immediately following the event. Any fine incurred after registration must be paid by the end of the academic school year. If a family is delinquent in its payments to the school, per its contract with the school, the student(s) affected *may not* be allowed to participate or continue to participate in extra-curricular activities, pre-register for the subsequent school term, or receive report cards, transcripts, or diplomas until the delinquency is paid in full. Delinquency means that a family has not paid its payments in full for all students for that family on a timely basis per the provisions agreed upon by the family and the school in the contract between the family and school.

Westwood does realize that emergencies or unforeseen, unavoidable circumstances may arise that affects a parent/guardian’s ability to complete required, assigned mandatory service hours; if such a situation arises, the parent/guardian must contact the Westwood School administration as soon as possible to address any issue(s). Do not wait until fine billing to request an alternative resolution. Failure to timely address any issue(s), will result in the charge of the fine. Remember it is the parent/guardian’s responsibility to notify the school of any impediment to completion of your mandatory service hours. Again, additional or “make-up” service opportunities *may be made available* throughout the school year, but such is not a guarantee.

Payment of Tuition, Fees, and other Money Due Westwood

If a family is delinquent in its payments to the school per its contract with the school, the student(s) affected will not be allowed to participate or continue to participate in extra-curricular activities, pre-register for the subsequent school term, or receive report cards until the delinquency is paid in full.

Delinquency means that a family has not paid its payments in full for all students for that family on a timely basis per the provisions agreed upon by the family and the school in the contract between the family and school.

Accreditation and Memberships

Westwood is accredited by the Georgia Accreditation Commission. Memberships are also held in CEEB, GIAA, and GISA.

Drug Testing Policy

All students in grades 7-12 will be subject to random drug tests throughout the school year. The unlawful manufacture, distribution, dispensation, possession or use of alcohol, drugs or other controlled substances is prohibited on Westwood's property or during any school sponsored activities, and violation of these prohibitions will subject students to rehabilitation referral and/or discipline up to and including expulsion. As a condition of continued enrollment, students are required to abide by Westwood's Substance Abuse Policy, including the provision for random testing of all students. It is agreed and understood that if a student fails the drug and/or alcohol test by testing positive, he/she will be referred to a rehabilitation or substance abuse assistance program at the parent's/guardian's expense, and/or disciplined in accordance with Westwood's policy up to and including expulsion. Any refusal to be referred to rehabilitation will result in immediate expulsion. If the student fails a second or follow-up drug and/or alcohol test he/she will be subject to immediate expulsion without the possibility of reinstatement. If a student is convicted of a violation of a criminal drug statute, the parent/guardian is required to notify Westwood within five (5) days of conviction. Westwood has the right to conduct unannounced searches for any and all prohibited substances on Westwood property, in all facilities and vehicles on school property. Westwood has the right to inspect lockers, desks, work areas, vehicles, and other containers and objects on Westwood's property that might conceal prohibited substances. Westwood has the right to reasonable searches of a student's person and his/her personal property. Failure to cooperate fully with Westwood in this regard will result in disciplinary action up to and including possible expulsion.

Non-Accredited Public and Private Schools and Home Study Programs

High School

Students transferring from a non-accredited school (including home study) must provide a transcript showing:

1. Time spent in class and length of school term
2. Grades received in each course
3. Textbooks used and/or course outline

To validate the course work taken at the non-accredited school, the student will be placed in a program that continues the sequence of work in which the student is participating, if available. If the student is successful in the subsequent courses, credit will be given for those courses and

all previous work passed in that subject area. (Passing is considered earning a grade of 70 or above.)

OR

He/she may be given the opportunity to take a comprehensive exam when entering Westwood to validate the course work for each unit of credit in the subject area.

If a student does not pass the course the first semester he/she is enrolled at Westwood, then credit will be denied for that course and the course work taken in that subject area. The student will then be placed in a class on the previous grade level, and the validation process will be repeated. No student will be placed below the ninth grade if he/she has earned any credit on the high school level.

Westwood shall comply with the Georgia Accrediting Commission requirements that at least half of the credits required for graduation must be earned in an accredited high school.

Middle and Elementary Schools

A student entering from a non-accredited school must provide records showing the following:

1. Time spent in class and length of school term
2. Grades received on each grade level
3. Textbooks used and/or course outline

The student will tentatively be placed on the grade level indicated by the records, provided it does not exceed the actual age/grade level of the student. During the first six weeks of enrollment, the school's officials will monitor the progress of the student. If the student is not performing satisfactorily, he/she will be placed in a lower grade. A standardized test may be used to help determine placement.

Student Support for Academic Difficulties

Westwood is a college preparatory school for average to above average students. The academic mission of Westwood is to provide educational experiences that challenge and affirm the talents of young people while also assisting them in finding expression as they mature. While the academic program is intended for students without significant learning difficulties, there are occasions when teachers or parents discover learning problems with students already in the student body. Once these difficulties are evident, Westwood will implement an Action Plan. If a student is suspected of having significant learning difficulties and the parents/guardians are not aware of the nature of them, they will be notified immediately. At that point, the parents/guardians may choose to pursue diagnostic testing. Once testing is complete, the school strongly encourages the parents to share the results of the testing with the school so that its Support Team may successfully implement the best program for the child.

Westwood's Support Team is individualized for each student to reasonably accommodate learning differences. Westwood's Support Team is composed of the Guidance Counselor, Learning Lab Coordinator, teachers from the four major academic areas, and other classroom teachers if appropriate. The Support Team may recommend the use of independent tutors and will provide them with curricular materials. The school will monitor the student's progress and will remain in contact with the parents.

National Honor Society

Eligibility

Students who are in the 2nd semester of the 10th grade or above with an academic average of 90 or higher may receive an invitation to apply to be a member of the National Honor Society. In order to apply, students must have been enrolled at Westwood for the entire previous semester and cannot be a senior in their final semester. Students who apply for membership will be reviewed based on their contributions to their community and school as well as their character and leadership skills. Students will only receive one invitation to apply for membership.

Ongoing Membership

To remain active in the National Honor Society, students must continue to maintain a 90 or higher average and meet the service and character requirements of the club as outlined in Westwood's NHS chapter by-laws. Students are expected to maintain the four pillars of the NHS – scholarship, leadership, service, and character. NHS meetings are held at the school on a regular basis, and the meeting agenda is determined by each chapter's leadership. Procedures and rules are followed as per by-laws. When needed, a NHS committee is formed utilizing NHS members and administration when rules are to be amended. All members are to follow current NHS chapter by-laws which are voted on by NHS chapter members.

Each student member of the National Honor Society completes a minimum of 3 community service hours and 2 hours of in service to the school per semester. Members can be found throughout their communities, churches, and school helping others.

Failed Classes and Eligibility

- Westwood Schools follows the GIAA Rules & Regulations for eligibility requirements, which includes that a student athlete is grades 8-12 must have passed at least 5 subjects in the semester preceding participation.
- The eligibility of a student athlete whose academic or behavioral performance is deemed unsatisfactory during the regular course of a semester will be determined by the coach and/or headmaster.
- **Tuition, fines, fees, and lunch balances must not be more than 60 days behind in order for a student to participate in any athletic or extracurricular activity (including summer camps and practices).**
- A student cannot participate in summer activities such as practices, camps, etc. if there is still a remaining balance left on the previous year's tuition, lunch balances, fees or other money due to Westwood.
- Middle school students who have a failing semester grade and/or have a major discipline infraction for the semester will not be eligible to participate in end of semester field trips, fun days, etc. The student will be expected to come to school on those days and complete any work assigned by the teachers.

Mandatory Retention Policy

Certain criteria must be mastered in order for a student to be promoted to the next grade level. Evidence of content mastery is shown through graded schoolwork, report cards, and teacher communication. Students may be retained by the Headmaster at the recommendation of the teacher and after a consultation with the parents.

Middle School Retention Policy

To be considered for promotion to the next grade level (6-8), a student must pass at least four of his/her academic courses. Three of these must be Math, Literature and English. Learning Lab and P.E. are excluded from this requirement.

Summer Remediation Program

Students in grades 6-8 who score below a Stanine of 5 in the areas of Total Math or Total Reading on the ERB Comprehensive Testing Program will be urged to attend the summer remediation program through Westwood's Learning Lab. There is a fee associated with this

program. This will allow the students to work on these weaknesses necessary for the student to be successful at the next grade level.

High School Promotion

In order for a high school student to be promoted to the next grade level or graduate, the student must pass all classes for the year (or semester, if class is a one semester class).

If a student fails a class for the school year (or semester, if class is a one semester class) at Westwood, they will be required to attend an accredited summer school at an outside facility to make up the failed credit. Upon successful completion of the summer school work, a transcript must be supplied to Westwood by the summer school and a grade of 70* will be entered on the student's permanent transcript. The parent is responsible for locating an accredited summer school program and registering their student. **Failure to complete required summer school courses could affect the student's continued acceptance and/or graduation.**

Students may only earn summer school credit a maximum of one time per academic subject. If a student fails the same subject an additional time, the student will not be allowed to return to Westwood. Any exception to this policy must be approved by the Headmaster.

*This will allow the student to pass the class without inflating their grade from a facility which doesn't have the rigorous curriculum we have at our school.

Academic Programs

All students must take the SAT or ACT and be accepted to a college as a requirement for graduation.

All current 9th – 12th students must take an English, math and science course each year with Westwood teachers as a requirement for graduation.

**Parents have the right to request the honors program for their student.

After the first four weeks, the math department will evaluate the potential success of each student and make a recommendation to the parent. At the end of the first quarter, if a

student's average is below an 85, not including the three additional points added to honors classes, it will be in the best interest of the student to be moved to the Pre-Algebra class to ensure a successful math experience.

Parent contact is made each morning for students reported absent after homeroom. This will keep the parent aware of the number of absences. A record will be kept on each student in PowerSchool. This record will document all absences and a reason for each.

Students who miss school or individual classes more than 7 times per semester will be required to have a doctor's excuse for each additional absence.

Absences for PK – 5th Grades

It is important to start at a young age forming good habits. Regular attendance is very important. Much of what goes on in our classroom cannot be repeated at home. The hands-on experiences in school are vital. We ask that your child miss no more than 15 days per year, and that a doctor's excuse be brought to school explaining the absence. Missed work must be made up within 3 days. Your child will be counted absent if he/she leaves before 12:00. If your child is absent, parents must notify the office by 11:00 am if make up work is needed for the day. It can be picked up at 2:30 in the teacher's workroom.

Honor Code - Cheating

Westwood operates under an honor system. This simply means that whatever work a student says is his should be his and no one else's. The Honor Code expresses the ideal of an agreement which implies faith and trust in each other. It also expresses an attitude against violation of that faith and trust. A student who copies another student's test or homework has cheated himself of a learning experience. Cheating is determined by each individual teacher. Plagiarism and the use of A.I. are some examples of cheating. Parents/Guardians will be

notified if it is determined that cheating has taken place. First offense may result in suspension from NHS, in addition to the following consequences:

1st Offense

The student will receive a zero on the work or if the teacher chooses, a second opportunity to do the work. If the teacher allows the second option, the zero and the grade earned on the work will be averaged together to arrive at the grade earned.

2nd Offense

Student will receive a zero with no possibility of making up the work.

3rd Offense

Suspension from school for 1 day with 2 points deducted from the current grading period.

4th Offense

A review from the Headmaster will determine if the student will remain at school. It is up to the Headmaster to determine punishment for the fourth cheating offense or any subsequent cheating offenses.

Discipline for PK – 5th Grades

The elementary teachers follow the assertive discipline plan. Each teacher has the rules and consequences posted in the classroom. Each year you should review the teacher's rules and consequences with your child and make sure that your child understands them. Each teacher maintains an assertive discipline plan that includes rules and consequences. The Headmaster and/or Assistant Headmaster handle all severe disruptions. Discipline records for minor offenses are cumulative per semester.

After a child receives 3 major discipline referrals, that student may be placed on a behavioral contract between the student and the school. The terms of this contract are at the discretion of the Headmaster.

Driving Privileges

It is a student privilege to be able to drive to school and park on campus. Driving privileges can be revoked if students fail to demonstrate driving/parking responsibility.

Speeding, playing loud music, erratic parking, driving/parking on the grass in prohibited areas, and littering are grounds for driving privileges to be taken away.

Students Leaving Campus

Exception to this rule: Annual Staff members and Seniors exercising senior privileges.

Incomplete Work

Incomplete report card grades must be made up within the first two weeks of the next grading period unless special permission is given. Failure to make up work within this time period will result in the student getting a zero for the work not completed.

Visitation

In the mornings before school, parents must leave their children in the front foyer and may not accompany them to the classroom.

We ask that no visitors be in the school building during school hours without permission. This is to insure the safety of your child and to have the least amount of distractions possible for a successful day. This allows us to give the best education we possibly can to your child. All visitors must report to the front office before going to classrooms.

Elementary Field Trips/Class Parties

Throughout the year, teachers may take their classes on field trips and may hold class parties. Parents/guardians are invited to attend these events. However, siblings are not allowed on field trips or at parties and students are required to ride in school provided transportation on field trips and to and from parties (unless parents are specifically asked to drive by the teacher). Parents/guardians are to adhere to all field trip and party rules set by the teacher.

Elementary Birthday Party Invitations

If invitations are passed out or sent home through Westwood these guidelines must be followed:

- Invite the entire class
- Invite all the girls
- Invite all the boys

If only part of the class is invited, the invitations must be mailed or handed out off campus.

For class parties please observe the following rules:

- No siblings
- No red punch

Chewing Gum

Chewing gum is not allowed on campus. Please do not send it with your child or include it in party activities.

Coke Products

The Coca-Cola Foundation gives a substantial grant to Westwood on an annual basis. This grant maintains our Learning Lab and is a huge asset to our school. Because of this long term relationship, we use only Coke products at all Westwood functions. This includes refreshments for all class parties.

Conferences

Communication is vital to the success of your child. Please request a conference if you have any questions or concerns.

K3 – 5th Grades

Many teachers schedule conferences during the year to discuss the child's progress with his/her parents. If you would like to request a conference, please send a note indicating the time and day you would like to meet.

6th – 12th Grades

If you would like to request a conference, please contact the counselor in the high school. She will schedule a time that is convenient for you and the teachers.

After School/Daycare

K3 – 5th Grades

For working parents who cannot be at school at 2:30 or 3:04 to pick up their child, Westwood does provide an after-school program. Parents must call the school to find out what this year's hourly fee is for this service. For parents to be able to utilize this service, they must obtain a packet of forms from the school, complete them, and return them to the office. These forms include policies and procedures, immunization requirements, fees, late charges, hours, and emergency medical forms.

ALL STUDENTS STAYING IN AFTER-SCHOOL DAYCARE REGARDLESS OF THE NUMBER OF DAYS MUST FILL OUT THE APPROPRIATE FORMS. NO STUDENT WILL BE ALLOWED TO STAY IN DAYCARE UNTIL THE FORMS ARE COMPLETED AND RETURNED TO THE OFFICE.

6th – 12th Grades

Students in grades 6 and up who are not participating in a supervised school activity must be picked up/leave campus by 3:40 (Mon-Thur) & 3:20 (Fri). Faculty and staff are excused at these times and there will be no supervision available. 6th – 12th grade students are not allowed in the elementary buildings.

Pep Rallies

During football and basketball season we will have pep rallies. They begin around 1:45. Following pep rallies, students are expected to remain at school until the end of the school day. Children are allowed to wear cheerleading uniforms and Wildcat jerseys. On Friday mornings the varsity cheerleaders come to the classrooms and sell game faces and spirit ribbons.

- Pep rallies are optional for our K3 classes. The days that they attend are at their teacher's discretion.

Volunteers

Grademothers

Each classroom will need a parent volunteer to serve as a grademother. This is a big responsibility which includes coordinating class parties, fall festival and the Homecoming Mini Parade. Each grademother is asked to work closely with the classroom teacher. Individual teachers have individual preferences. There may be other duties that arise during the year.

Let's Read Program

Let's Read is a linguistic approach to reading. The lessons are constructed to induce smooth, rapid reading progress. Let's Read begins in first grade and is completed in third grade. The students read individually from the Let's Read book with parent or grandparent volunteers each morning from 8:00 to 8:30.

Library Volunteers

Each class in the elementary building has a designated library time once a week. This library time is conducted by a volunteer or a group of rotating volunteers. The classroom librarian is in charge of a short reading time and a time of checking out books for each student. Mrs. Nancy Palmer, our high school and elementary media specialist, sends out a letter of instruction at the beginning of the year for all volunteers. She is available for any additional help needed.

Elementary Extra Curricular Activities

As you can see, your child has plenty of extracurricular activities to choose from here at Westwood. An advantage to this is you don't have to leave work and rush your child to dance, or gymnastics because they are offered right here on campus and incorporated into your child's day at school. Another advantage with the athletic activities is your child having the

opportunity to play organized ball with the same team members they will be playing with when they are in middle and high school.

Dance

Dance class is offered by Elevate Dance. Students in grades K3 through K5 can participate in the activity after school in the auditorium. Students in the 1st grade and up may continue their dancing with Elevate by going to the dance company in Camilla. There is an additional fee for dance.

Gymnastics

Gymnastics class is offered one day a week during your child's PE time under the leadership of Cairo Gymnastics and Dance. There is an additional fee for gymnastics.

Special Activities

Homecoming

Homecoming week takes place every fall during September or October.

- Dress-Up days—Your child will bring home a sheet that will give the dress theme for each of the five days. Examples may be Camouflage Day, Pajama Day, or Cartoon Character Day. Your child does not have to participate every day or any day if you choose. However, it is a fun activity and prizes are given to classes for the most participation.
- Mini Parade—All classes take the theme of Homecoming Week and create their own mini-float for the parade. This is held on Friday at 1:20 on the track behind the elementary building. **Parents are invited!!
- Cheerleader Activities—Cheerleaders sell pie tickets (to throw a pie in the face of cheerleaders and coaches), game faces, and homecoming ribbons.

Fall Festival

Westwood has an annual Fall Festival fundraiser for PTO in October or November. Each class is assigned booths. The booths will be judged based on the theme. Parents will be asked to help decorate and work a shift at the festival. Each child will be asked to bring items for various booths. Each class will also have a King and Queen that collect donations.

Grandparent's Day

This is a school wide day of special recognition and "thank yous" to all our grandparents at Westwood. The celebration takes place in February or early spring each year. Students invite their grandparents to visit their classrooms, attend a program and have refreshments.

Junior Class Valentine Booth

The Junior class has a Valentine booth every February. They have so many items to choose from to make Valentine's Day extra special and fun. Parents also have the opportunity to shop at this booth to send their children something from them from the booth since we do not have outside deliveries to the elementary building. Students enjoy shopping for themselves and their friends too! Prices range from \$.50 to \$3.00 on items. Some items include: Valentine necklaces, pencils, pens, erasers, key chains, lip gloss, bouncy balls, and homemade goodies. Be sure to send some money to school with your child on this day for shopping at the Junior Class Valentine Booth!

Field Day

Each spring students will participate in Field Day. Students are divided into teams to compete in physical activities. Parents are welcomed to come cheer for their child and volunteer if needed.

Fundraisers

Fall Fundraiser

The Fall Fundraiser will be a project-based fundraiser. Proceeds from the fundraiser will go towards the named projects and/or general fund. Families with one child who contribute \$100 to the Fall Fundraiser will get a day out of school on a designated date. For families with two or more children at Westwood who contribute \$200, each child will get a day out of school on the designated day.

Box Tops

Box tops raise cash for the teachers to spend on items that benefit the entire staff. There are prizes given to the boy and girl in each elementary class that collect the most and box tops. Start saving your Box Tops today.

The Westwood Run

This is a fitness/teamwork driven fundraiser. Elementary students are asked to seek pledges for each lap they run at the Westwood Run. Parents and families are invited to participate in the festivities on the day of the event.

Raffles

Each family is required to sell \$350.00 worth of raffle tickets yearly. Parents may choose to add the \$350.00 to their tuition in lieu of selling tickets. This must be decided upon at registration.

SCRIP Program

In addition to tuition, each family can choose to participate in the SCRIP program. This will help raise the required money obligation of \$250.00. Each family is required to raise \$250.00 IN PERCENTAGE by January 31st each year. Details on how to use this program are on the homepage of the school website. Westwood also keeps Walmart cards in the office for purchase. If a family chooses not to participate, the \$250.00 can be added to their tuition. This must be decided upon at registration.

Publix

If you shop at Publix, please go to <https://www.publix.com/myaccount/register> and sign up to support Westwood Schools. When making a purchase, you will enter your phone number and a portion of your purchase will be donated to Westwood.

Office Depot

When purchasing from Office Depot or officedepot.com, enter member number 1117574424 when prompted and a percentage of your purchase is sent to Westwood to be used to purchase items at Office Depot.

By Laws

ARTICLE I - BOARD OF TRUSTEES

Section 1. The business and property of the corporation shall be managed by the Board of Trustees and they shall and may exercise all the powers of the corporation except as limited by law and elsewhere by these by-laws. They shall have the power to make all necessary rules and regulations for their government and for the regulation of the business of the corporation which are not inconsistent with the Charter and these By-laws, and shall have general management and control of the corporation. The Board of Trustees may delegate from time to time to any of the corporation's committee, officer or agent, such power and authority as is permitted by law.

Section 2. The Board of Trustees shall consist of not more than 18 nor less than 9 members. It is further provided that the Board of Trustees will make every effort to reduce the maximum number of members from eighteen (18) back down to fifteen (15) members as soon as possible

by a reduction in the number on the Permanent Board from fifteen (15) to twelve (12) members. The Board will not elect successors to the permanent board as a result of resignation or other causes until such time as the number reduces to twelve (12) members. When the total number reaches to twelve (12) members of the permanent and three (3) members, each President from the Booster's Club, PTO, and Grandparent's Club, the total number on the board will remain at fifteen (15) until further amendments of these By-Laws.

In addition to the Permanent Board of Trustees, or their successors, one (1) additional Trustee will be elected by the families of Westwood School each year to serve for a period of one (1) year. In April each year, the school office will electronically send a notice to every family registered for the coming school year, providing a form to nominate one (1) member for the Board of Trustees. Deadline for return will be 3pm, fifteen (15) days after notice has been sent. Within five (5) days a ballot containing the highest nominees will be electronically sent to all families registered for the next term of school. The families will vote for one (1). Deadline for receipt of ballots will be 3pm, fifteen (15) days after ballots are sent. The individual having the highest number of votes will be elected for a period of one (1) year. To be eligible to be an additional trustee the person must be a parent of a student enrolled at Camilla Schools, Inc. during the year of service as a trustee. Such additional trustee will be eligible for re-election in successive years as long as he (she) has a student enrolled in Camilla Schools, Inc.

Any vacancy in the Board of Trustees may be filled by the Trustees at a special meeting called for that purpose. The Board of Trustees, at any meeting called for that purpose, may remove from office by a two-thirds (2/3) vote of the Board of Trustees any member and may at the same meeting elect his successor.

New members for the Board of Trustees are to be solicited from surrounding communities and must have resided locally for at least three (3) years. A Board member may be male or female, shall maintain confidentiality, and shall be of high moral character and have a belief in God. Each Board member must work within the framework of the Board of Trustees and not as an individual. A Board member who misses three (3) or 40% of the regular meetings is dismissed with a written letter of appreciation. No person shall serve as a permanent member of the Board of Trustees who has their spouse or member of immediate household working as a permanent staff member at Camilla Schools, Inc. unless agreed upon by two-thirds of the board. Such trustee must agree to be evaluated by the trustees committee yearly or at regular intervals if needed. If conduct is deemed unsatisfactory, the trustees committee has the authority to recommend removal of their board position to the whole board for a vote in accordance with by law regulations.

All board members, regardless of manner of election, will have equal status, all rights and privileges of a trustee, voting rights, may hold any office or perform any function delegated by the board or the charter and By-Laws.

The twelve permanent Board of Trustees members will have a limited term of not more than two consecutive five (5) year terms or until the graduation of their youngest child, whichever first occurs. This will begin with all members that came on the Board after June 2001. All member of the Board prior to June 2001 will serve the remainder of their original term. A Board member may be considered again for service after a year absence from the Board of Trustees. One or two of the Board of Trustees may not now have a child at Camilla Schools, but should have had a child or a grandchild there. Member's term will not continue after the graduation of their youngest child, but could be eligible to be reelected based on the above guidelines in future elections.

At the end of a member's first (5) year term, the member may choose to come off the board or to resubmit his own name for nomination for an additional five (5) year term. If the member chooses to come off the Board or it is the end of the Board member's second five (5) year term, he/she shall submit up to two names to the Nominating Committee for consideration and the members of the nominating committee shall submit up to two names. The Nominating Committee shall then submit two names for consideration by the full Board with at least one being one of the names submitted by the outgoing member. A vote of the full board will then be held by secret ballot with a majority of members present having to approve the new member.

If a member resubmits his/her name for nomination for a second five year term, the nominating committee shall have the option of submitting an additional name for consideration to the full board in addition to the name of the current member. A vote of the full board will then be held by secret ballot with two-thirds of members present having to approve the second term if no other name is submitted and a majority of the members present to approve if, in fact an additional name is submitted by the nominating committee.

Section 3. The annual meeting of the Board of Trustees shall be held during the month of May each year. Section 6. Trustees shall not receive any salary for their services as Trustees. Any Trustee may be employed by the corporation as an employee, as an independent contractor, or to represent the corporation as its agent, and may receive reasonable compensation for the services thus rendered; however, a trustee may be so employed only if two-thirds (2/3) of all Trustees other than such Trustee approve such employment and the terms of compensation to be paid therefore.
